Re: Flat Rate Health and Welfare Plan

The Carpenters Health and Welfare Trust Fund offers a special "Flat Rate" Plan to signatory Employers who wish to provide Health and Welfare coverage to non-contractual employees at group rates.

The Plan is opened one time each year to allow Employers the opportunity to enroll their non-contractual employees; this year the Open Enrollment period is November 1, 2022 to November 30, 2022, with an effective date of January 1, 2023. A contributing employer may elect to participate in the Flat Rate Plan outside the normal open enrollment period by submitting a Flat Rate Plan Subscriber Agreement and proof of prior continuous Health & Welfare coverage for all newly enrolled non-bargaining unit employees.

Effective January 1, 2023, the Plan, which also covers eligible dependents, offers participants a choice of two medical providers: Kaiser or the Indemnity Plan. Dental, Prescription Drug, and Vision Benefits are also provided.

Effective January 1, 2023, the Flat Rate Plan monthly fee is \$1,663.49 per eligible employee. January 2022 contributions are due in December 2022, on the reporting form for November 2022 work hours.
