## **About Risk**

**Investing in Target Date Funds:** The “target date” in a target date fund is the approximate date an investor plans to start withdrawing money. Because target date funds are managed to specific retirement dates, investors may be taking on greater risk if the actual year of retirement differs dramatically from the original estimated date. Target date funds generally shift to a more conservative investment mix over time. While this may help to manage risk, it does not guarantee earnings growth nor is the fund’s principal value guaranteed at any time including at the target date. You do not have the ability to actively manage the investments within target date funds. The portfolio managers control security selection and asset allocation. Target Date funds allocate their investments among multiple asset classes which can include U.S. and foreign equity and fixed income securities.

Once your first contribution has been invested, you may access John Hancock Retirement Plan Services (<https://myplan.johnhancock.com> or 1-833-38-UNION (1-833-388-6466)) to change how your future contributions and/or existing account balance is invested. You may obtain information on the other funds offered in the Plan or request a fund prospectus by contacting John Hancock Retirement Plan Services. This election may be changed any business day (a day on which the New York Stock Exchange (NYSE) is open) by using John Hancock Retirement Plan Services. Any change made and confirmed to your investment election before 4:00 p.m. Eastern Time (ET) on any business day will generally be effective as of the close of that day. A change confirmed on or after 4:00 p.m. ET, or on weekends or holidays, will generally be effective as of the close of the next business day. In the event the NYSE closes prior to 4:00 p.m. ET on any business day, a change made and confirmed before the time the NYSE closes will generally be effective as of the close of that day. A change made or confirmed on or after such closing time will generally be effective as of the close of the next business day.
