Specifically, most uses and disclosures of your psychotherapy notes (where appropriate), uses and disclosures of your protected health information for marketing purposes, and disclosures that constitute a sale of your protected health information require your written authorization. If you have authorized us to use or disclose your health information for another purpose, you may revoke your authorization in writing at any time. If you revoke your authorization, we will no longer be able to use or disclose health information about you for the reasons covered by your written authorization. However, we will be unable to take back any disclosures we have already made with your permission. Requests to revoke a prior authorization must be submitted in writing to the Privacy Officer at the address shown below.

The Carpenters Health and Welfare Fund will not use or disclose your genetic health information for underwriting purposes. Additionally, you have the right to opt out of receiving any communications concerning fund raising activities in which the Carpenters Health and Welfare Fund may engage.

Right to Request Restrictions. You have the right to request restrictions on certain uses and disclosures of your health information. If you would like to make a request for restrictions, you must submit your request in writing to the Privacy Officer at the address shown below.

Right to Request Confidential Communications. You have the right to ask us to communicate with you using an alternative means or at an alternative location. Requests for confidential communications must be submitted in writing to the Privacy Officer at the address shown below. We are not required to agree to your request unless disclosure of your health information could endanger you.

Right to Inspect and Copy. You have the right to inspect and copy health information about you that may be used to make decisions about your plan benefits. To inspect or copy such information, you must submit your request in writing to the Privacy Officer at the address shown below. If you request a copy of the information, we may charge you a reasonable fee to cover expenses associated with your request.

Right to Accounting of Disclosures. You have the right to receive a list or “accounting” of disclosures of your health information made by us. However, we do not have to account for disclosures that were:

- made to you or were authorized by you, or

Your Personal Representative

You may exercise your rights to your PHI by designating a personal representative. Your personal representative will be required to produce evidence of the authority to act on your behalf **before** the personal representative will be given access to your PHI or be allowed to take any action for you. Under this Plan, proof of such authority will include a completed, signed and approved form. You may obtain this form by contacting the Privacy Officer or his or her designee at their address listed on the first page of this Notice. The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect.

This Plan will recognize certain individuals as Personal Representatives **without** you having to complete a Personal Representative form. You may however request that the Plan **not** automatically honor the following individuals as your Personal Representative by completing a form to Revoke a Personal Representative available from the Privacy Officer or their designee.

- For example, the Plan will automatically consider a spouse to be the personal representative of a Plan Participant and vice versa. The recognition of your spouse as your personal representative (and vice versa) is for the use and disclosure of PHI under this Plan and is not intended to expand such designation beyond what is necessary for this Plan to comply with HIPAA privacy regulations. You should also review the Plan’s Policy and Procedure regarding Personal Representatives (available from the Privacy Officer) for a more complete description of the circumstances where the Plan will automatically consider an individual to be a personal representative.

Carpenters Health and Welfare Trust Fund for California**

Re: SUMMARY OF BENEFITS AND COVERAGE (SBC) required by the Affordable Care Act (ACA)

As required by law, group health plans like ours are providing plan participants with a Summary of Benefits and Coverage (SBC) as a way to help understand and compare medical benefits. The SBC provides a brief overview of the medical plan benefits provided by the Carpenters Health and Welfare Trust Fund for California. Please share this SBC with your family members who are also covered by the Plan.

Each SBC contains concise medical plan information in plain language about benefits and coverage. This includes what is covered, what you need to pay for various benefits, what is not covered, and where to go for more information or to get answers to questions. Government regulations are very specific about the information that can and cannot be included in each SBC so the Plan is not allowed to customize much of the form or content. The attached SBC includes:

- A health plan comparison tool called “Coverage Examples.” These examples illustrate how the medical plan covers care for three common health scenarios: having a baby, diabetes care and care for a fractured bone. These examples show the projected total costs associated with each of these three situations, how much of these costs the Plan covers and how much you, the Participant, need to pay. In these examples, it’s important to note that the costs are national averages and do not reflect what the actual services might cost in your area. Plus, the cost for your treatment might also be very different depending on your doctor’s approach, whether your doctor is an In-Network PPO Provider or a Non-PPO Provider, your age and any other health issues you may also have. These examples are there to help you compare how different health plans might cover the same condition—not for predicting your own actual costs.
- A link to a “Glossary” of common terms used in describing health benefits, including words such as “*deductible*,” “*co-payment*,” and “*co-insurance*.” The glossary is standard and cannot be customized by a Plan.
- Websites and toll-free phone numbers you can contact if you have questions or need assistance with benefits.

Please keep this notice with your benefit booklet. If you have any questions, please call Benefit Services at the Trust Fund Office at (510) 633-0333 or toll free at (888) 547-2054. You may also send an email to benefitservices@carpenterfunds.com.

Coverage Period: 09/01/2022 – 08/31/2023

 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.carpenterfunds.com or call 1-888-547-2054. Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.anthem.com/ca or call 1-888-547-2054 for a list of Contract <u>providers</u> in California. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your <u>deductible</u> ?	Not Applicable.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$1,500 Individual / \$3,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , health care this <u>plan</u> doesn't cover, and services indicated in chart starting on page 2	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.kp.org or call 1-800-278-3296 (TTY: 711) for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes, but you may self-refer to certain <u>specialists</u> .	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
